MEMORANDUM FOR THE RECORD

1. In response to a request from [redacted] Office of Legislative Counsel, I called Mr. Gary Rasmussen, Debt Analysis Section, Treasury (184-5952) to inquire about status of their review of our retirement legislation.

2. Mr. Rasmussen stated our Bill was under review, they have had trouble with the definition of unfunded liability; but they expected to release it to OMB tomorrow morning (9/9).

3. I advised him we were most anxious to get the Bill before Congress and would appreciate his expediting its release, or if they have further problems letting me know promptly. He reiterated he expects to release it tomorrow.

4. I asked him if he could give me the position they expect to take. He replied they will recommend a change in the definition of unfunded liability although they recognize our Bill includes the same definition as previously cleared by them for the CS and Foreign Service Bills. The point at issue was discussed in my memorandum of 2 September 1970 to the Deputy Director for Support.
